I am writing to strongly advocate for Section 5 of House Bill HB6666, which will allow for adjunct faculty certificates to be issued to the highly-trained professional artists, who serve as ECA's part-time faculty, to continue their 35-year record of preparing Connecticut's high school students for our competitive global economy. If they are required to become certified for 12-hour per week part-time positions, they will not be able to do so and the school will close. This will be a terrible loss to Connecticut's high school students in 19 school districts.

Please don't close ECA. It is the one part of our day that we look forward to.
